  HTML, CSS

  Graduated in 2021

- Geolab

  JavaScript / Angular 2+ • Completed in 2021

- Unilab Career Acceleration Program – Completed in 2022

About Me

I'm a front-end developer with a passion for building clean and user-friendly websites. My career started in 2020, when I began studying HTML, CSS, and JavaScript at Geolab, a well-known tech education center. I was inspired by what these tools could do and worked hard to learn them in depth.
